CRTH01 Apply Crystal Therapy (Beginner's Crystal Therapy.) Includes two nationally recognised accredited courses **CESB01 Chakras, Energy Centres & Subtle Bodies.**

These correspondence courses are part of our exciting accredited Training Course, **30724QLD Certificate IV in Vibrational Therapies & 30725QLD Diploma of Metaphysics (Reiki and Crystals)**. You may choose to study these units in a distance learning mode, or hands on at the Academy, in both cases you can study at your own pace, in your own time.

I know you will really enjoy these units, and will gain significant skills and techniques which will help you in the practice of crystal therapy & vibrational therapies. The course was written in response to a demand from the natural therapies industry. As Natural Therapies become more and more regulated, so does the educational aspect of the profession, and it was in response to this positive move forward that the Academy took the initiative and created the first and only qualification of this kind in Australia. Both this course, and the **30257QLD Diploma of Metaphysics (Reiki and Crystals)** course have a diversity of subjects, the combination of which are not offered in any other accredited course nationwide.

This course includes two nationally recognised accredited subjects:
